**Reminders about the Ceremony**

We have planned a formal graduation ceremony and we need your cooperation in making it a dignified occasion. Please help us in these ways:

- To ensure that each graduate’s name can be heard, please end your applause once a graduate has walked across the stage.
- Do not talk during the ceremony. Even quiet talking will disturb those around you, so please refrain from talking during the ceremony.
- Do not stand or leave your seat during the ceremony.

Thank you for helping to make the Innovation Graduation Commencement a memorable and pleasant experience for everyone.

*We appreciate your cooperation!*

*“It’s your turn to choose and define what success means to you. Now, others will try to define it for you, but yours is the only voice that matters*
