

McCARTHY CONSTRUCTION 101

Saturday, October 16, 2021

McCarthy Rock Hill Office | 8:00 a.m. - 3:00 p.m.

1341 N. Rock Hill Rd, Saint Louis, MO 63124

Construction 101 Day provides a supportive, hands-on event and learning experience with introduction to a construction career for high school girls.

Participants will learn the basic elements of various construction trades and develop a safety mindset as well as self-confidence that they can apply in many aspects of their lives. Seasoned mentors in the industry and McCarthy role models will be available to guide the participants through their projects. Participants will learn to work together and effectively communicate with their peers and mentors in order to achieve successful completion of their projects.

Participants will understand and learn that there are various career paths in the construction industry for their future.

HOW TO DRESS

Please wear t-shirt, long pants and hard sole shoes (no tennis shoes or sandals). We will provide all other safety personal protective equipment for your use during the event.

EVENT DETAILS

No experience is necessary! We will teach you how to safely and correctly tackle the projects you are given, while having fun.

RSVP HERE

RSVP no later than **October 8, 2021**. Space is limited to 40 participants (first come, first serve) so don't wait to sign up!
